OUR SERVICES

The GFORCE Collection comprises of three amazing services.

GFORCE Classic*

Using one of our Classic designs, choose your fabric and colours, add your crest, logo etc, and instantly see your team kit come alive. GFORCE Classic has been developed to incorporate the latest designs into your sportswear, offering you a quick and easy team kit solution, with minimums as low as 10. Throughout the brochure we utilise the GFORCE Classic range, which is constantly updated with new products and sports.

GFORCE Signature*

The signature service gives you the opportunity to join the brand. All GFORCE Classic products come with branded tape and labels. With the Signature service you can customise the garment branding giving your kit a truly corporate image. All we require is for you to order a minimum of 500 garments, in any style, design and colour, over the year.

GFORCE Unique*

GFORCE Unique is the pinnacle of bespoke sportswear. Work with our design team to create your own style or range, with minimums as low as 10, in plain, panelled, hooped, or dye sublimated designs, the choices are endless. Also take advantage of our advanced manufacturing techniques which will allow you to add, modify or remove many features.

*See terms and conditions for clarification on any of these services.

YOUR STEP BY STEP GUIDE TO ORDERING

STEP 1//SELECT YOUR PRODUCT FROM THE EXTENSIVE GFORCE RANGE

STEP 2//SELECT YOUR DESIGN

// CYCLONE RUGBY JERSEY

// STRATA RUGBY JERSEY

// METEOR RUGBY JERSEY

// ECLIPSE RUGBY JERSEY

// NEBULAR RUGBY JERSEY

// FLARE RUGBY JERSEY

If you are looking for something completely different why not consider our **GFORCE Unique Service**, which allows you to create your own designs* * minimums may apply.

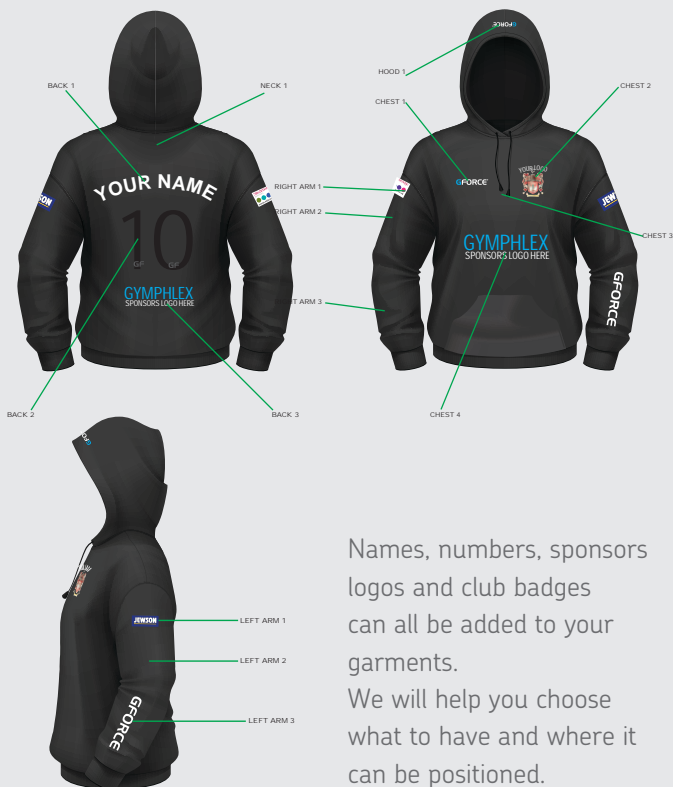

STEP 3//SELECT YOUR FABRIC

AIRCOOL	Advanced, fully treated, moisture wicking fine knit fabric.
ANTI PILL FLEECE	Thick hardwearing durable non pill fleece.
BRUSHED FLEECE	Thick, comfortable warm brushed fleece.
CORE	Compression fit with high wicking properties, regulates temperature control and recovery.
COTTON DRILL	Highly durable quality drill fabric.
COTTON JERSEY	A soft, traditional cotton jersey, available in three weights.
COTTON PIQUE	A traditional pique in a honeycomb knit.
COTTON POLY JERSEY	A traditional knit with traditional moisture absorption.
DOBBY RIPSTOP NYLON	A woven combination mesh of Nylon strength cells that act as a wet weather protective layer.
ELASTANE (COTTON)	Comfortable, supportive under garment fabric.
ELASTANE (NYLON)	Comfortable, supportive under garment fabric.
EYEDROPLET	Breathe easy, temperature controlling fabric with visible perforations.
EYEMAX	Moisture management fabric.
GALERA	Versatile, full bodied durable fabric with wicking fibres that promote absorbency.
HEAVYWEIGHT MESH	Incredible strength, a great temperature regulating panel insert or whole garment.
MICRO FLEECE	Finer, lighter version of the Anti pill fleece.
MICROFORCE	Durable, breathable and lightweight fabric, keeping muscles at their peak.
MOMA	Lightweight with moisture management system.
PEACHED FINISH MICROFIBRE	Hardwearing but incredibly comfortable dry weather wind breaker.
SUBLIPHLEX	Four way stretch, moisture management with wicking fibres to aid absorbency, ideal for sublimation.
TASLAN	A finely textured breathable fabric that protects the wearer from the elements.

STEP 4//PICK YOUR COLOURS

STEP 5// ADD YOUR OWN BRANDING

Names, numbers, sponsors logos and club badges can all be added to your garments.
We will help you choose what to have and where it can be positioned.

STEP 7// PRESENTATION CREATED

We can create a presentation for you, just contact our Sales Team for more details.

STEP 6// LABEL CUSTOMISATION
